

Agenda

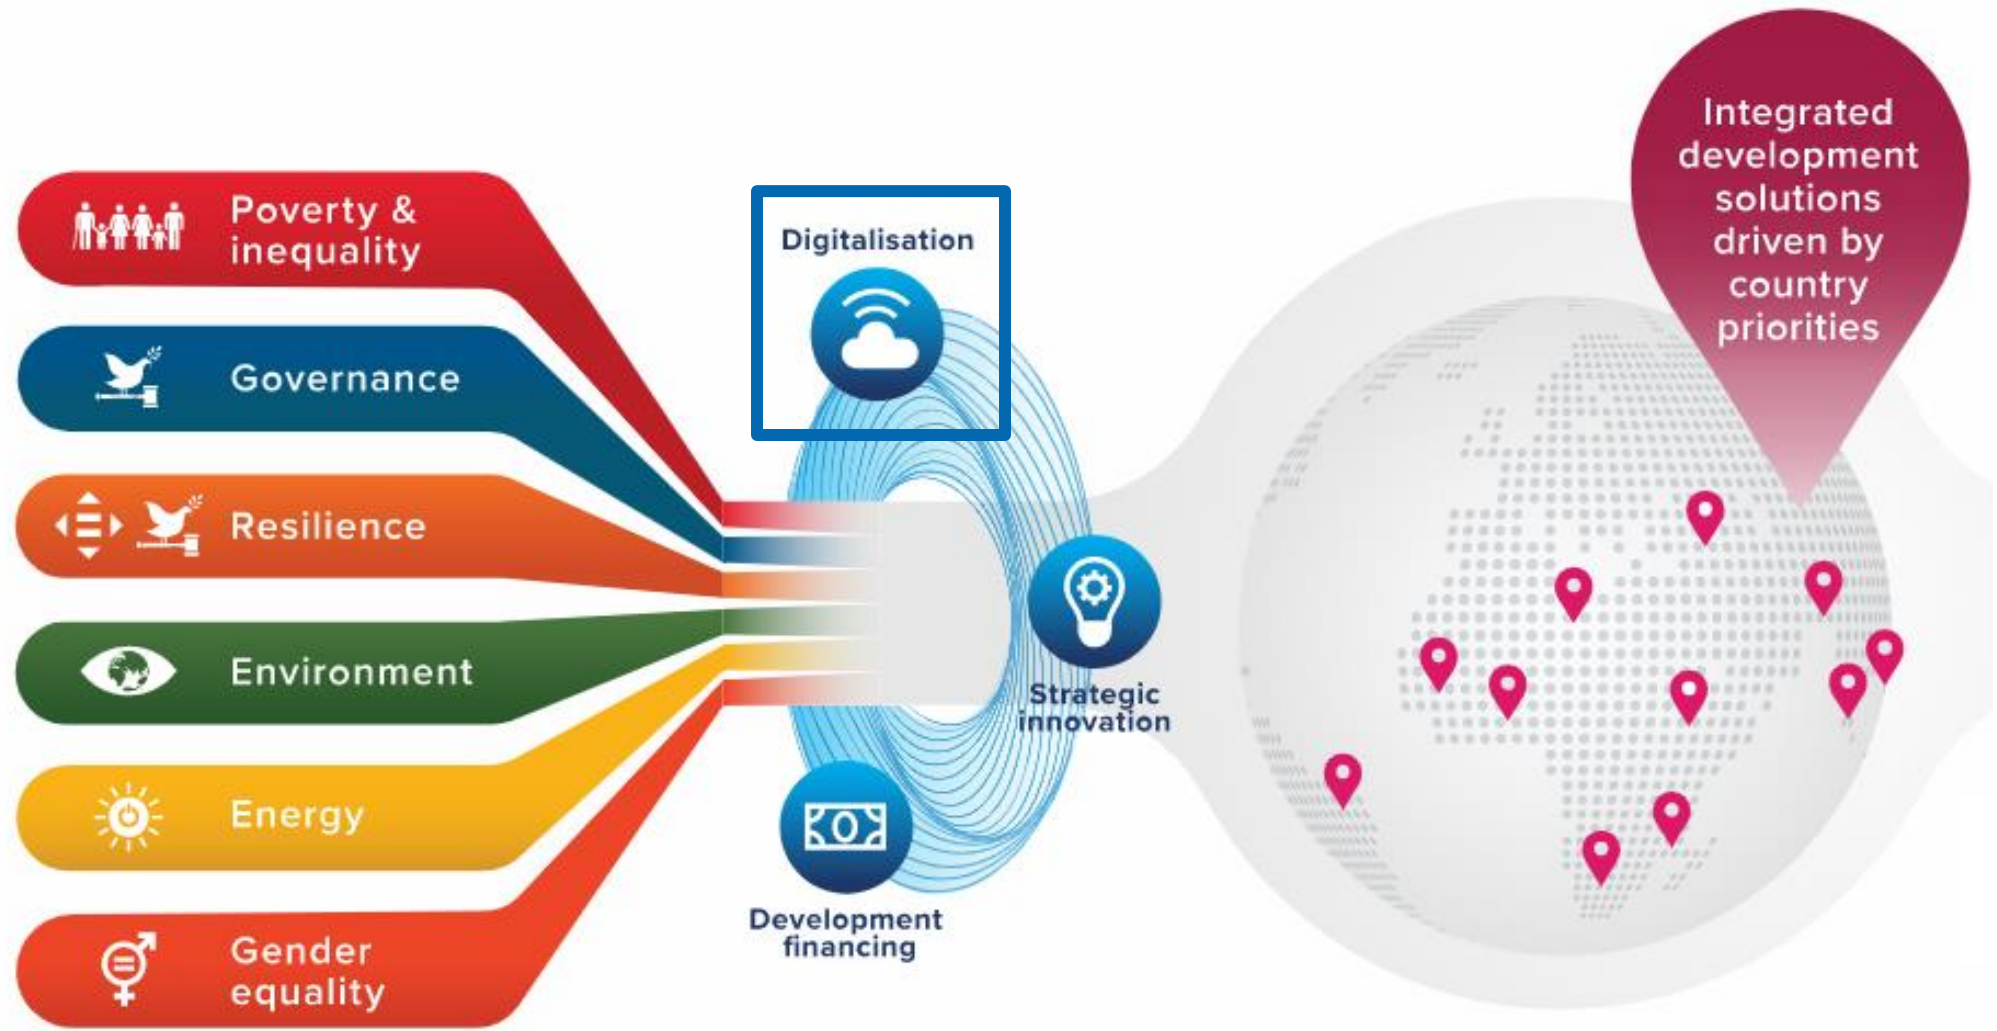

**Digital at UNDP and the
new CoP Digital**

**Digital Mentorship
Programme**

**Ask Me Anything
with Rob Opp**

Digitalization is a key enabler in UNDP's new Strategic Plan to achieve the 2030 Agenda

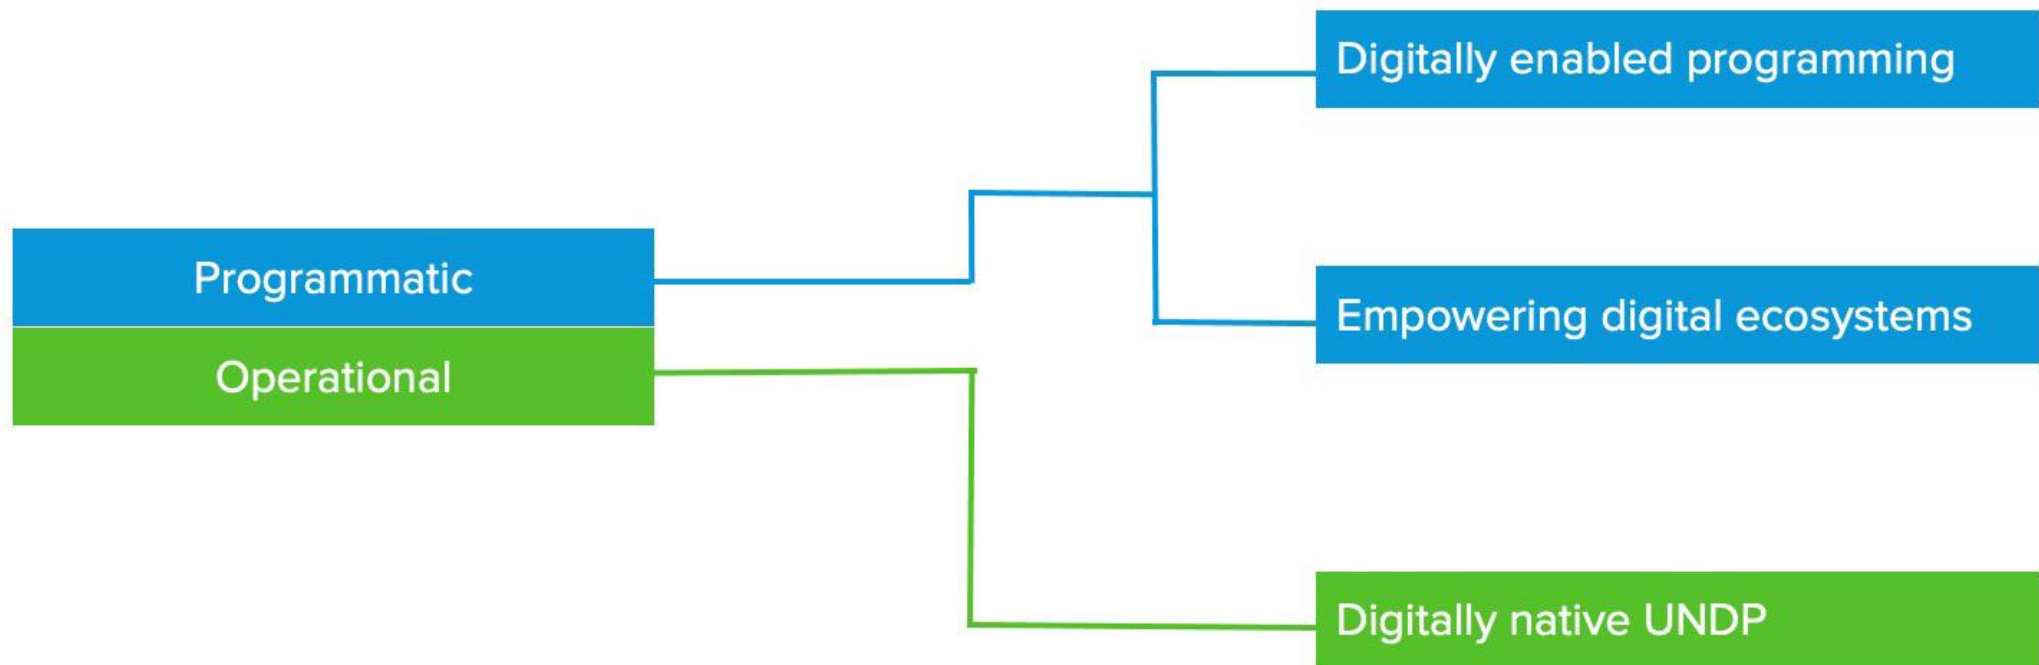

UNDP's Digital Strategy: Three key objectives

Long term vision:

To create a world in which digital is an empowering force for people and planet

PATHWAYS

OBJECTIVES

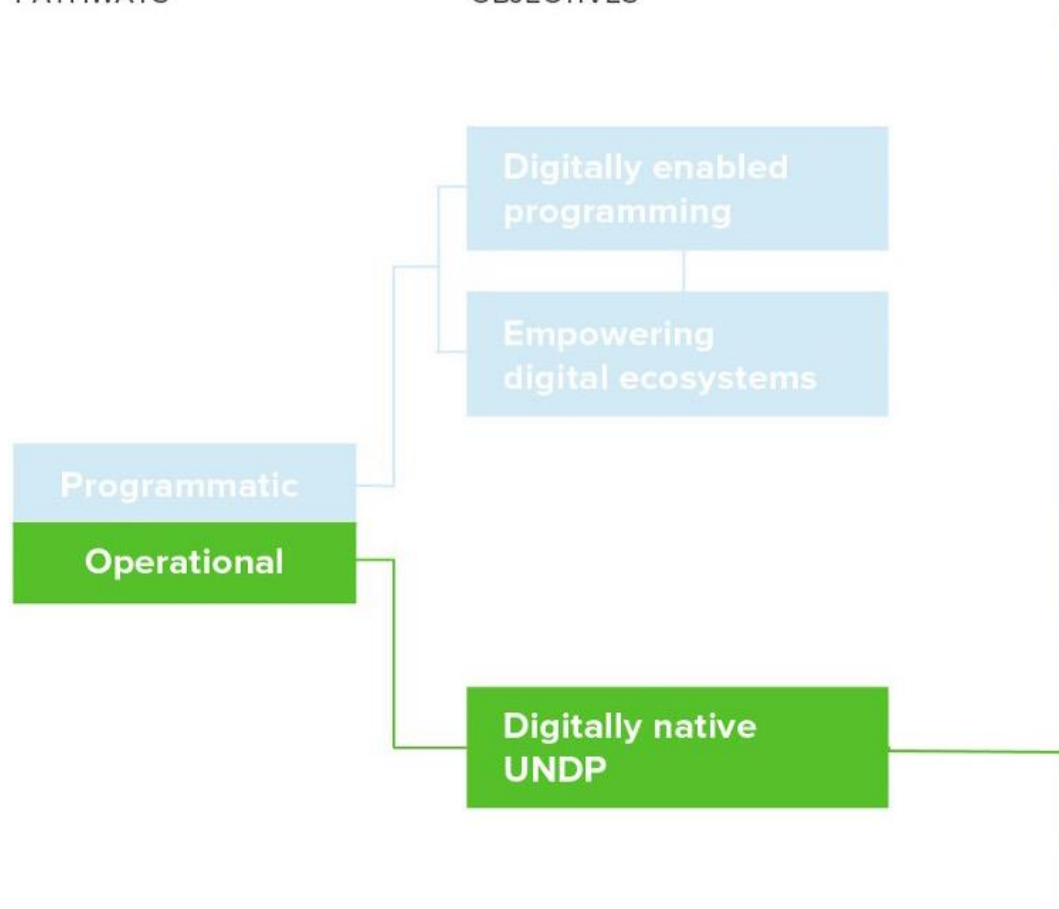

UNDP's organization capabilities are critical to support our digital transformation

+ × + + +

PATHWAYS

OBJECTIVES

Transform UNDP so that it has fit-for-purpose digital systems, processes, tools, and data, and a digitally-competent workforce

- **Strengthen digital capacity-building** of UNDP personnel and attract a **diverse and digitally capable talent pool**
- **Improve efficiency and effectiveness** by introducing and updating systems, tools, and processes
- **Enhance ability to collect, manage, and use data and knowledge** more strategically

UNDP's digital achievements are growing

Creating a strong digital community with **121 Digital Advocates** from **111 COs**

3200 people in **140 countries** in the **Data Network**

Incorporating digital by default in **IRRF, IWP, ROAR, ProDocs** and **QA**

480 digital solutions across **124 COs, RBx,** and **HQ** in **2022**

Strengthening digital capabilities through **the Digital Fitness Programme & Digital Learning Courses**

80% of personnel using **digital collaboration platforms** vs **20%** in **2019**

Boosting strategic alliances via partnerships with private sector on data through **Development Data Partnership**

135K visits to the **Data Futures Platform** since its launch

Innovating data architecture with the **Unified Data Hub**

Supporting **170+ digital requests** from COs in Q1 of **2023**

Welcome to CoP Digital: Our Digital Journey Together

Our vision

To create an engaging environment and culture that inspires and encourages digital collaboration and learning.

CoP Digital: Co-creating the Digital Future of UNDP

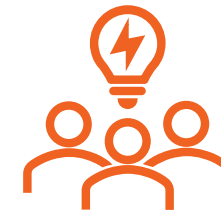

Diverse Voices, Valued Perspectives

We're building a community, where every voice is valued and heard, fostering enriched dialogue and connections across all offices.

Shared Knowledge, Amplified Impact

Our mission is to co-create easy-to-use digital resources and innovative tools. Together, we can enhance our skills and unlock the full potential of our collective data.

Collaborative Learning, Collective Growth

You can engage with our digital services & products hands-on. Together, we'll navigate challenges, drawing strength and insights from our shared experiences.

Explore Resources and Build Connections

The main community resource:
undp.sharepoint.com/teams/Digital

The screenshot shows a SharePoint page with a blue header. On the left, under 'News', there are three articles: 'Girls redrawing the future of AI | United Nations Development Programme', 'How Digital Public Infrastructure can serve as a building block for Data Free Flow with Trust', and 'Are countries ready for AI? How they can ensure ethical and responsible adoption'. On the right, under 'Upcoming events', there is a calendar view with dates from May 22 to July 7, listing events like 'UNDP Digital Community of Practice: Building a digitally', 'RightsCon: The 12th edition of the world's leading summit on', 'Asia Tech x Singapore', 'Identity Week', 'Data Thursdays | Scaling Up Generative AI Solutions', 'republica Berlin 2023: the festival for the digital society', 'ID4AFRICA 2023', and 'The AI for Good Global Summit'. At the bottom of the news section, there is a banner that says 'Stay tuned for key updates and events' with a button 'Join CoP Digital Mailing List'.

Latest Digital Solutions & Support

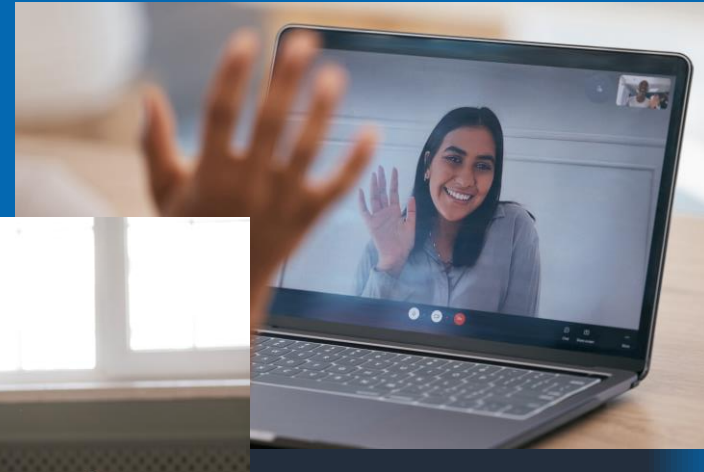

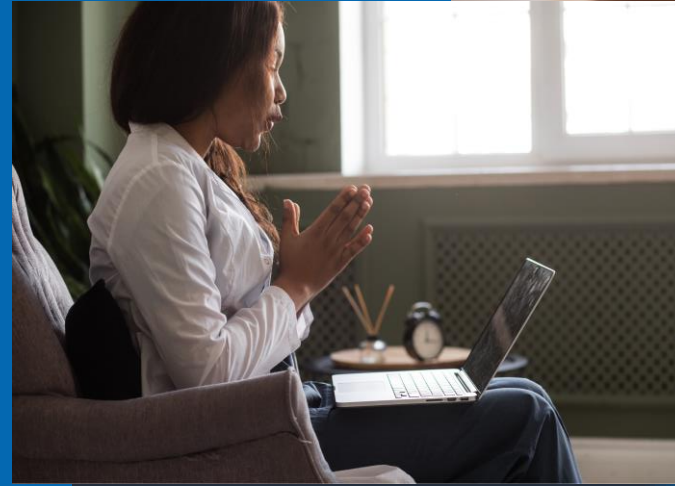

The first card is titled 'LEVERAGING DATA FOR BETTER POLICIES' and features a woman's profile. The second card is titled 'Digital Byte: AI for Development' and features a man pointing at a whiteboard.
