# Open discussion and Q&A

---

- How would you assess the **progress on integrated policy approaches in the UN Development System over the past 2 years?**
- How do **high-level flagship initiatives translate into concrete results** in bringing the agencies together for joint work, implementing the UN Sustainable Development Cooperation Framework, and **addressing complex challenges at country level?**
- Following on the 2023 SDG Summit, what are the **perspectives and opportunities going forward for policy integration and implementation** of the National Commitments to SDG Transformation and the High Impact Initiatives?
