

“A healthy planet for the prosperity of all – our responsibility, our opportunity”

The UN General Assembly has agreed through two Resolutions to convene an international meeting entitled “**Stockholm+50: a healthy planet for the prosperity of all – our responsibility, our opportunity**”, in Stockholm on 2 and 3 June 2022, during the week of World Environment Day. The meeting will commemorate the 50 years since the convening of the UN Conference on the Human Environment. It is also designed to help accelerate the implementation of the Sustainable Development Goals during the Decade of Action including through a sustainable recovery from the COVID-19 pandemic.

The Government of Sweden will host the meeting with the support of the Government of Kenya. Leadership Dialogues have been designed to be collaborative and multi-stakeholder, and will address three themes:

- **Leadership Dialogue 1:** Reflecting on the urgent need for actions to achieve a healthy planet and prosperity of all.
- **Leadership Dialogue 2:** Achieving a sustainable and inclusive recovery from the coronavirus disease (COVID-19) pandemic
- **Leadership Dialogue 3:** Accelerating the implementation of the environmental dimension of sustainable development in the context of the decade of action and delivery for sustainable development.

Objective

The UNDP Mauritius Country Office has been mandated to facilitate national consultations and will be working in close collaboration with the Ministry of Environment, Solid Waste Management and Climate Change.

The objective of the national consultations is to stimulate an inclusive whole-of-society and whole-of-government dialogue on the main themes of Stockholm+50 as they relate to each national context.

In this context, you are invited to submit your comments on each of the three Leadership Dialogues, and on the following guiding questions. You are welcome to answer as many questions as you wish - any input will be appreciated.

Stockholm +50 National Consultation
7 April 2022, Women and Elderlies, Online session
Caudan Arts Centre

Leadership Dialogue 1: Reflecting on the urgent need for actions to achieve a healthy planet and prosperity of all.

- turns towards renewable energy, which will result to decrease of global warming.
- Reduce, reuse, and recycle. Cut down on what you throw away.
- Volunteer. Volunteer for cleanups in your community.
- Educate.
- Conserve water.
- Shop wisely.
- Use long-lasting light bulbs.
- create wild space in your garden or community.
- Take time to reconnect with nature regularly :
- reconnecting with nature: Nature has positive effects on children with attention deficit disorder, asthma, and obesity, and being in nature relieves stress and improves physical health. people with a greater connection to nature are more likely to behave positively towards the environment, wildlife and habitats.

LD 2: Achieving a sustainable and inclusive recovery from the coronavirus disease (COVID-19) pandemic

- continue to do Awareness
- Promoting Environmental Education and Awareness

Leadership Dialogue 3: Accelerating the implementation of the environmental dimension of sustainable development in the context of the decade of action and delivery for sustainable development.

- Composting
- Recycling
- cut consumption and waste
