

ANTICIPATORY ACTION

OVERVIEW

The [UNDP Preparedness Learning Pathway](#) facilitates joint learning and knowledge exchange for and among decision-makers and practitioners by deploying the content of the [UNDP Preparedness Toolkit](#) and associated resources from UNDP and partners. The content and delivery methodology of modules are adapted to the learning context and needs. **Module 5. Anticipatory Action** covers key concepts, principles, and typology of frameworks for anticipatory action (AA), includes country examples of efficient anticipatory action, considers development and operationalization of triggers, and outlines financial mechanisms for anticipatory action.

DELIVERY MODALITY: IMMERSIVE WORKSHOP

Core content from Module 5 is seamlessly integrated as part of an immersive in-person or online practice development experience, combining short presentation with simulation exercises or serious games, delivered by expert facilitators.
