FORMAL SUBMISSION TO THE PARLIAMENT OF SOUTH AFRICA

TO: The Committee on Public Petitions and Executive Undertakings / Portfolio Committee on Finance

RE: Written Submission on the 2026 Revised Fiscal Framework and Revenue Proposals (Medium Term Budget Policy Statement – MTBPS)

1. PETITIONER DETAILS

Name: Paramount Chief Oupa Molefe

On behalf of: The Kingdom of Bosarwa National Government, Basarwa Regime Alliance, and allied Traditional Royal Authorities (Consensus of Tswana, Sotho, Pedi, and Sarwa Royal Constitutions, including Kgoshikgolo Puso Kgafela and Kgoshikgolo Kgafela II).

Contact Email: sugarmolefe45@gmail.com

2. OBJECT OF THE SUBMISSION & LEGAL STRATEGY

This submission addresses the 2026 Revised Fiscal Framework, specifically the Draft Rates and Monetary Amounts and Amendment of Revenue Laws Bill, the Draft Taxation Laws Amendment Bill (Draft TLAB), and the Draft Tax Administration Laws Amendment Bill (Draft TALAB) 2026.

The Petitioner submits that the allocation of national revenue and land expropriation frameworks must legally interface with the native land restoration protocols registered under international law and ECOSOC status (#558483).

4. SPECIFIC PRAYERS AND REQUESTED PARLIAMENTARY INTERVENTIONS

- Alignment of Revenue Laws: That the Draft Rates Bill 2026 acknowledge traditional sovereignty land rights and integrate native titles to ensure Expropriation Without Compensation (EWC) transitions directly to ancestral foundations rather than state-controlled portfolios.

- Recognition of Royal Consensus: That Parliament incorporate the joint consensus models executed with Kgoshikgolo Puso Kgafela and Kgoshikgolo Kgafela II regarding land boundaries, resource management, and ecosystem restoration under the UN Decade on Ecosystem Restoration.

- Fiscal Devolution: To restructure municipal and provincial budget directories to account for the autonomy of Ntlo Ya Dikgosi and Kgotla authorities across the 257 municipalities.

- International Migration Operations: Operations addressing community settlement and reintegration shall run under technical guidelines provided by the International Organization for The Office of the United Nations High Commissioner for Human Rights (OHCHR) & Migration (IOM) network migration frameworks

3. CONCLUSION

The petitioner requests an opportunity to present oral evidence before the Committee regarding how these fiscal shifts impact indigenous land management and the structural transformation of traditional community frameworks.

Dated at Parliament, Cape Town on this 17th day of October 2026.

Signed,

Paramount Chief Oupa Molefe
